

The UK's No.1 Fish & Chip Restaurant 2026 & 2019

Established in 1980, Trenchers became an instant hit with locals and tourists alike. Launching as a Fish & Chip and Seafood restaurant, our menu was developed to showcase the fresh produce available in the famous seaside town of Whitby.

Today, Trenchers of Whitby has cemented itself as a must-visit destination in the North of England, serving traditional fish and chips, seafood, and British dishes all day, every day, throughout the year.

At Trenchers, we fry using the traditional method of beef dripping to ensure the best possible product for our customers.

Trenchers of Whitby has been recognised with multiple awards, including **'Best Fish and Chip Restaurant in the UK'** at The National Fish and Chip Awards in **2019 and 2026**, and a place in the Fry Awards **Top 10 Restaurants in the UK in 2024 and 2026**, as well as **Top 50 Takeaways in the UK 2024**.

In the summer of 2018, Trenchers Spanish City, Whitley Bay, opened its doors to the public, marking a new era for our iconic restaurant. It was also awarded **'Best Fish and Chip Restaurant in the UK'** at The National Fish and Chip Awards in **2020** and secured third place in **2025**. Additionally, it was named among the Fry Awards **Top 10 Fish & Chip Restaurants in the UK** and **Top 50 Takeaways in the UK** in both **2024 and 2026**.

The excitement doesn't stop there. Building on this success, **Trenchers Bowness on Windermere** is set to make waves with its highly anticipated opening in July 2026, bringing the celebrated Trenchers experience to a brand-new location. Meanwhile, our sister restaurant **Tide by Trenchers** resides on Bridge Street, Whitby, with an exciting new menu that promises seasonal flavours, your award-winning favourites from Trenchers, and a fresh take on the finest seafood.
